

## Monthly Report to Members

Dear Distinguished Professionals,

I am pleased to welcome you to the month of February. We would like to thank you for your feedback on previous issues of our Monthly Newsletter. This is allowing us to enhance the content further. As promised, the newsletter has been produced consistently, and the feedback has been positive. We anticipate receiving feedback from you in the future, particularly in areas that require improvement. It is our objective to continue to develop as an association, and the Monthly Newsletter is one of the strategic tools in this direction. As we continue to reposition the Association for greater efficiency and membership services, please take the time to read what we were able to accomplish in February and how we are preparing to meet the future needs of members.

### EAPEAN Membership

It is imperative that all member companies regularise their membership with the association without additional costs as you are aware of the transition from Human Capital Providers Association of Nigeria (HuCaPAN) to Employers' Association for Private Employment Agencies of Nigeria (EAPEAN). However, such companies must have paid their subscription to date. All financial members will receive a new certificate.

### EAPEAN Launch/1st Private Employment Agencies Chief Executives Conference

The Official Launch of the Employers Association for Private Employment Agencies of Nigeria (EAPEAN) and the maiden edition of the Private Employment Agencies Chief Executives Conference are scheduled to be held on Thursday, April 18, 2024 at Radisson Hotel, GRA, Ikeja, Lagos, at 10am. In view of this development, member companies are encouraged to donate generously towards the success of the landmark program. The event is strictly for Chief Executive Officers. The Planning Committee through the Secretariat will make more information available.

### ILO Support

On Monday, February 26, 2024, the ILO Fairway Project Team comprising Ms. Grace Sebagane, Project Manager and Mr. Basantar Kumar Karki, Technical Officer visited the Secretariat. They informed the association that the

project would wind down in March. However, the second phase will commence before the end of the year. The major highlight was the need to print the reviewed Code of Conduct for Private Employment Agencies and finalizing work on the "Framework for the Engagement in International Recruitment of Nigerian Migrant Workers". Also, the need to raise awareness of the Framework for the Engagement in International Recruitment of Nigerian Migrant Workers and the Code of Conduct for Private Employment Agencies was part of the engagement. EAPEAN appreciated the team for the International Labour Organisation's continuous support.

The Forms include – ECS CCF04, ECS CCF06, ECS CCF03, ECS MR01, ECS CCF02, ECSCCF01 and Reviewed Sample for Detailed Breakdown of Medical Bills.
