

Monthly Report to Members

Dear Distinguished Professionals,

I am delighted to welcome you to the month of May. We want to thank you for your feedback on previous issues of our Monthly Newsletter. This allows us to enhance the content further. As promised, the Newsletter has been produced consistently, and the feedback has been positive. We anticipate receiving feedback from you in the future, particularly in areas that require improvement. It is our objective to continue to develop as an Association, and the Monthly Newsletter is one of the strategic tools in this direction. As we continue to reposition the Association for greater efficiency and membership services, please take the time to read what we accomplished in May and how we are preparing to meet the future needs of members

EAPEAN Membership Certificate

You know the transition from the Human Capital Providers Association of Nigeria (HuCaPAN) to the Employers' Association for Private Employment Agencies of Nigeria (EAPEAN). All member companies must regularize their membership with the association without additional costs. Companies with such memberships must, however, have paid their subscriptions to date. In addition, every financial member will receive a new certificate if they have paid their subscriptions up to date. Companies that are up to date in subscription payments have been issued new certificates. We urge all members to pay their subscriptions timely to get the new certificate that bears our new name and logo.

Webinar on Budget and Financial Management

EAPEAN will organize a Webinar on Budget and Financial Management on Thursday, June 27, 2024. The objective of the training is to equip participants with the knowledge and skills necessary to manage budgets and finances effectively, ensuring optimal resource allocation and organizational sustainability. Registration fee is Twenty Thousand Naira (N20,000) per participant for EAPEAN members and Thirty-Five Thousand Naira (N35,000) only per participant for Non-EAPEAN members. We are encouraged to take advantage of the training and register early.
